## RELAXED LINEN SHEERS INSPIRED BY A TROPICAL OASIS

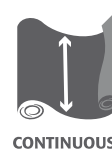

Made with 100% linen, BORACAY is the perfect sheer drape for creating a relaxed oasis in the comfort of your own home. Taking its name from the beautiful tropical dream island in the Philippines, BORACAY is a textured, light filtering collection that provides a calming and earthy feel to any traditional or contemporary space.

**Design:** BORACAY is a plain, open weave, sheer fabric that can be used in a diverse range of environments. Through yarn variation and imperfection of the weave, its dry chunky texture creates a raw and natural look with a relaxed, tropical and rustic feel. Its 100% linen composition offers simplicity and breathability, giving the space a natural fresh aesthetic which makes it suitable for contemporary, coastal or modern interior styles.

**Application:** Oeko-Tex certified, this wide-width sheer linen drape has an impactful weighted appearance that allows for privacy without completely blocking light from entering the space. From stylish apartment living, to more relaxed coastal interiors, the design styles BORACAY has to offer are endless.

**Colourways:** Inspired by coastal living and earthy tones, BORACAY's scheme of 12 colours are subdued and natural, creating a calming effect. The range includes warm, new trend-driven neutrals such as White, Ivory, Taupe, Mink and Linen which were inspired by the tropical lifestyle in Boracay. On the cooler side, silvery tones such as Fossil, Cloud, Silver and Flint can be used to create a more modern space. And lastly, on the darker spectrum, Gunmetal, Slate and Charcoal, which give a strong, contemporary and dramatic feel to a space.

**Rating:** Relaxed in nature with Oeko-Tex certification, escape to the comfort of your home and create your own oasis. With a generous 304cm width, BORACAY's natural fibre and earthy toned neutrals help soften while also adding an organic look to a contemporary or coastal space.
