WHERE CONTEMPORARY STORIES ARE WOVEN FROM ARTISTIC ARISTOCRACY TO TRADITIONAL TEXTURE – CARLO by Warwick

CARLO takes heritage charm and re-interprets it with an Italian made woven fusion of laid-back texture, layered color, and timeless appeal, creating a look that effortlessly blends classic sophistication with modern sensibilities.

- **DESIGN:** Designed as an interpretation of the classic textural style of tweed, CARLO has an urban ruggedness where its informal scale of weave creates a provocative texture. Enhanced by scattered thread heights, the texture is enriching going from heritage to haute couture while retaining a tailored look.
- **APPLICATION:** For use in residential designs, CARLO has an appeal that will work within a variety of interior styles and spaces, from countryside chic to mid-century modern, CARLO's foundations are timeless. A feature chair or sophisticated sofa paired with rich timber and dark brass will elevate any look with CARLO, comfiness, presented with a modernised twist.
- **COLOURWAYS:** The colour palette has been curated for those wanting to balance boldness with a sophisticated subtleness. Using the vibrancy that comes from red, yellow, blue and green, each have been modernised with a muted outcome. A multi-colour collection, CARLO uses tonal variation of a hero colour and masterfully mixes it with levels of neutrals to create an engaging and practical result.
- **RATING:** Part of the Warwick Naturally brand containing a minimum of 70% natural fibres.
