

WARWICK

WITH A FRESH, NEW COLOUR PALETTE, CREATE RELAXED AND SERENE SPACES WITH A CLASSIC FAVOURITE - CHAMBRAY by Warwick

With an updated colour selection of on-trend shades, CHAMBRAY is a soft, transitional, dual-purpose plain that is versatile and durable in nature — an ideal collection for relaxed and serene, high traffic residential and commercial interiors. Featuring an extended palette of soft hues, CHAMBRAY will create casual and inviting moods and environments, as well as modern Hamptons and urban styles.

- **DESIGN:** Soft with a dry texture, CHAMBRAY is a versatile, plain weave with a mixed fibre, piece-dyed construction. Its subtle, textural striation and chalky aesthetic adds interest to an impressive, dual purpose cotton polyester blend designed for effortlessly fluid drapery, as well as durable and washable upholstery applications — its two-toned weave and smooth finish bringing fine detail and a relaxed feel when applied in any space.
- **APPLICATION:** With the added benefit of Oeko-Tex certification, CHAMBRAY is a washable, dual-purpose, Heavy Commercial collection that is ideal for creating comfortable upholstery, as well as relaxed drapery and Roman blinds in any interior setting. CHAMBRAY's washability benefit also makes this collection a perfect option for bedspreads and slip wash covers.
- **COLOURWAYS:** Featuring a refined selection of 19 additional colours that are on-trend, CHAMBRAY's soft palette ensures a shade for any desired style. Bold hues such as Clay, Mustard, Pine and Onyx can be used to make a statement, while for a softer look, Nectar, Rosewater, Duckegg, and Vanilla are gorgeous, dreamy pastels which will create elegant, serene spaces. For a nature-inspired setting, Eucalyptus, Mushroom, Stone and Tussock are subdued hues that are perfect for a soft style, reminiscent to the beauty of the outdoors.
- **RATING:** Heavy Commercial with Oeko-Tex certification, CHAMBRAY is transitional and practical for any high traffic area. With the added benefit of being dual-purpose and washable, this collection will sit and pair back effortlessly with a myriad of finishes and patterns, while adding sophistication and a sense of relaxation to both residential and heavy commercial interiors.
