Dolly

Plain Hanger with texture close up

Our soft, wool-look range Dolly has a brushed finish with a modern marle texture, creating a warm and luxurious handle.

With a focus on versatility, it's the ideal range to set any scene. Its heavy commercial rating and wool-like appearance makes it great for both domestic and commercial applications.

Effortlessly practical and available in a contemporary colour palette, Dolly adds a softness to furnishing and is part of our high performance, easy to clean 'Halo' range.

Our Halo fabrics are woven to detailed specifications and tested to exacting standards for colourfastness, abrasion, inherent stain resistance and safety*. Halo fabrics are also resistant to pilling, mould and mildew and to attack by moths, silverfish and other insect pests.

*Tested for absence of Free Formaldehyde (ISO14184-1:1998)
