

WARWICK

THE TIMELESS CLASSIC – EASTWOOD by Warwick

EASTWOOD by Warwick is specifically designed to combine raw yet sophisticated looks with hard-wearing capabilities. An advanced, polyester weave that gives the effect of leather in a more durable quality, EASTWOOD maintains its soft touch and suppleness without cracking or weakening. Innovative design brings together refined tactile qualities, leather grain looks and durable commercial properties for diverse interiors ranging from an intimate lounge bar or cocktail lobby to a busy bistro, cafe or residential retreat.

- **INSPIRATION:** Channelling classic memories of the old Wild West, EASTWOOD is inspired by leather and suede, offering a soft touch with subtle vintage sensibilities.
- **APPLICATION:** EASTWOOD immediately bestows a sense of comfort to modular and chaise lounges, feature upholstery pieces, recliners, ottomans and scatter and floor cushions, across a range of commercial and residential environments.
- **COLOURWAYS:** A rich palette delivers traditional leather inspired colours with rich, earthy tones in classic Fawn, Tan and Bison. Chocolate, Slate and Taupe bring modern, design edge to the range.
- **RATING:** Meeting heavy commercial standards, EASTWOOD is also one of Warwick's hallmark, Halo easy clean fabrics. Ultra durable, FR tested and made to last in high-use environments, the polyester range offers endless inspiration to enrich busy spaces.
