WHISPERS OF THE BUSH – A SOFTLY SPOKEN CELEBRATION OF AUSTRALIAN FLORA
– GRAMPIANS by Warwick

GRAMPIANS is a soulfully designed collection that draws from the richness of Australia's native landscapes, weaving a visual story that is calming and meaningful.

- **DESIGN:** Through a naturalist's perspective, GRAMPIANS captures the essence of organic Australia, translating its beauty into a design that resonates with depth and inspiration. Designed by local artist Jayne Branchflower, Jayne's technique reflects a botanical hand-painted style with soft watercolour layers that are complimented with a woven texture and silken hand feel.
- **APPLICATION:** Effortlessly adaptable, GRAMPIANS will transform commercial and domestic spaces where nature is needed to add charm and personality. Ideal for use on furniture, drapery and soft furnishing accents, the artistic, watercolour style will allow for pairing with various textures and solid colours to add depth and interest while blending within both contemporary and traditional styles.
- **COLOURWAYS:** There are 5 colourways within GRAMPIANS that create a cohesive palette with a beautifully curated selection of Australiana tones. From crisp frosty mornings where greens are muted with a silver undertone to rich, earthen clay and dusty pink, the range of colours are harmoniously grounded with a storied history of time and culture. Each hue is thoughtfully chosen to reflect the natural shifts in light and season balancing freshness with tranquility.
- **RATING:** Heavy Commercial rated with Halo easy-clean characteristics and an AS1530.3 fire rating.
- **CURATE:** A partnership with pattern where artists, styles and techniques are explored. Designs are injected with personality and deliver on performance.
