HYBRID

TIMELESS SELECTION OF UNDERSTATED BLOCK-OUTS - HYBRID by Warwick

Overview: A core, essential block-out for any occasion – Hybrid is expanding the Warwick coated collections. This transitional plain fabric brings an understated palette and 100% block-out privacy to residential and commercial spaces, with a 300cm wide-width and fire tested finish.

- **Application:** HYBRID is a piece-dyed, polyester plain weave with a 100% block-out acrylic coating. Clean and compact in construction with a matte finish, this block-out fabric creates a soft and transitional backdrop for all drapery applications large or small, with wide-width properties.
- **Colourways:** Sophisticated and succinct, HYBRID comes in 13 versatile colours to suit interiors of any scheme. For contemporary, clean urban neutrals see hues of Iceberg, Shadow and Zinc. Soft and subtle colourways of Parchment, Cement and Nickel offer slight saturation. Ecru, Silver and Pebble add timeless tones to incorporate into almost any interior.
- **Rating:** Understated in its design, HYBRID's construction amalgamates to bring you the best of both worlds. 300cm wide-width, Oeko-Tex certified and fire rated to AS1530.3 standards – this collection brings versatile and timeless privacy to both residential and commercial applications with its refined and transitional finish and acrylic block-out coating.
