KALAHARI

LUXURIOUSLY TACTILE WITH REFINED QUALITY - KALAHARI by Warwick

Overview: KALAHARI is a relaxed and inviting plain that achieves both sophistication and refinement with a true focus on quality. What elevates KALAHARI'S appeal is that its luscious finish is perfect for dual purpose use in both residential and commercial settings alike.

- Application: KALAHARI is perfect for both commercial and residential upholstery and drapery use. Its soft textures, earthy colours and durability make it an incredibly attractive fabric for all settings.
- Design: A plain, micro chenille weave that creates a soft touch handle with a subtle two-toned mottled texture, KALAHARI is perfect for achieving a clean and modern look.
- Colourways: Fifteen colours highlight the high-end look and feel of this weave. With delicate pastels of Sky and Blossom, classic neutrals including Truffle and Smoke and the depth of Carbon and Denim, you can achieve any refined look be it soft, understated and sophisticated or clean and urban.
- Rating: With commercial durability KALAHARI is a mixed blend transitional quality, suitable for upholstery, drapery and cushions in both residential and commercial applications.
