## TAILORED URBAN ELEGANCE - MERIDIAN by Warwick

Overview: MERIDIAN showcases urban sophistication and a structured tailored aesthetic that will adapt to the mood of any room. This transitional design has a focus on drape, functionality and refined texture and is a calling of classic, elegant style.

Boasting a versatile colour palette of natural hues, MERIDIAN will create a space that is warm and inviting for residential and commercial applications. Whether it's subtle and refined, or casual and chic, this line will create a space with a tailored edge and alluring elegance.

- **Application:** MERIDIAN will infuse relaxed sophistication into residential or commercial spaces with a timeless yet modern-day appeal. Featuring a Dobbie weave that has been piece dyed for additional character, its 100% block-out, wide width (280cm) coating is perfect for smart and tailored drapery applications.
- **Design:** Featuring a very subtle broken Herringbone stripe, MERIDIAN works to create a natural, casual look whilst the coating provides tailored sophistication with added functionality.
- **Colourways:** This on-trend neutral range features nine organic colors that work to create a space that is inviting. Shades move from warmer hues of Linen and Moonbeam that help to create a gentle and relaxing aesthetic to cooler, contemporary tones of Ebony and Silver.
- **Rating:** Fire tested for both AS1530.3 and AS1530.2 with a 280cm wide width, MERIDIAN is an inviting drapery plain with a 100% block out coating and Oeko-Tek certification, which makes the line suitable for both residential and commercial settings.
