

WARWICK

REFINED & VERSATILE - SOLSTICE by Warwick

Overview: SOLSTICE offers a relaxed and refined drapery range suitable for both urban and traditional interiors seeking a sophisticated understated addition. The versatility really lends itself to allow SOLSTICE to set a tone or subtly integrate into any drapery setting. With a 100% block out coating SOLSTICE is perfect for a room that demands functionality, aesthetic and a soft luxurious finish.

- **Application:** SOLSTICE is perfect for those in search of a coated drapery product that also has a textural depth. There is just enough linen slub to give the luxurious feel without compromising on the functionality required when used in both commercial and residential drapery settings. The acrylic 3 pass backing gives it a 100% block out finish with 280cm wide width functionality.
- **Colourways:** With a cohesive range of natural tones, versatility and relatability are at the heart of the nine colourways on offer. The palette allows for a range of uses and settings, be it relaxed casual environments or refined with a luxurious undertone. Relaxed shades such as Driftwood and Nougat would be perfect for any coastal setting while the urban tone of Steel and Silver make this an inner city must.
- **Rating:** FR tested, 3 pass coated with a wide with of 280cm this 100% block out range is suitable for both commercial and residential drapery applications.
