

WARWICK

MODERN METALLICS – THERON by Warwick

Overview: Following the success of existing collection EROS, THERON is a stunning lightweight sheer with a sophisticated feel. Exuding a sense of glamour and a high-end aesthetic, THERON featuring LEIGH and CLAUDETTE offers modern textures with a continuous drop, making it the perfect collection for adding opulence to contemporary interiors.

- Inspiration: Inspired by the success of EROS, and with refined air and stylish lifestyles of famous Hollywood starlets in mind, THERON is a high-end collection that blends modern metallics with fine woven sheers to create a style statement that is indulgent and polished.
- Application: Featuring wide width (320cm) characteristics and continuous self-weighting, THERON offers an effortless drop and seamless perfection across expansive architectural windows. The contemporary sheer story is ideal for drapery applications that require a modern mood with a sense of privacy in both residential and commercial settings.
- Design: THERON'S refined and stylish pin-stripe design is complemented perfectly by the textured weave of CLAUDETTE, while LEIGH completes the design statement with a timeless and classic plain weave.
- Colourways: Offering a balanced colour palette of modern neutrals, THERON caters for a diverse audience. On-trend colours such as Java, Caviar, Graphite, Pewter and Mist exhibit a bold urban aesthetic, while Ice, Vapour, Mocha and Buff present softer tones for timeless sophistication.
- Rating: FR rated and Oeko-Tex certification, makes THERON a versatile collection that adds luxury to residential and commercial environments.
