RELAXED COASTAL STYLE WITH A TOUCH OF GLAMOUR – ABACO by Warwick

Inspired by the sandy shores and volcanic rocks of European coastlines, ABACO is an alluring, textured semi-sheer with a subtle yet captivating metallic sheen. Featuring a reversible and continuous, self-weighting and Oeko-Tex certification, this open weave semi-sheer will bring relaxed coastal living to residential spaces.

- **Application:** A combination of yarns blend to create visual interest with matte and sheen contrast through the open weave structure. Boasting Oeko-tex certification and a reversible nature, this semi-sheer adds a serene and sophisticated aesthetic to interiors. ABACO is well suited to soft roman blinds and drapery installations of any size due to it's 310cm continuous drape – from contemporary architectural sized windows, to standard residential spaces.
- **Colourways:** ABACO offers eight sophisticated, coastal inspired hues to create a relaxing ambience. Pacific and Salt bring colours of the ocean, while Nougat, Sand and Pannacotta offer soothing and warming earth tones. For a strong contrast and urban like nature, look to Nightfall, Sepia and Pewter.
- **Rating:** Oeko-tex certified with a reversible lofty texture, ABACO will be incorporated into interiors effortlessly. Its 310cm continuous self-weighting adds to its versatility, for both drapery and soft roman blinds.
