HERITAGE AT HOME – AMBY by Warwick

Overview: Elegant and sophisticated, AMBY is a timeless collection that offers a beautiful textured handle in a selection of classic designs perfect for today's interiors. Boasting a fine dry finish and naturally occurring slub, AMBY exhibits an organic feel that is warm, comfortable and effortlessly refined.

- **Application:** AMBY is suitable for both drapery and upholstery applications. The jacquard construction allows for intricate design detail ideal for tailored bedheads and washable bedspreads. While the piece dyed method creates a soft two-tone effect perfect for both soft and structured drapes. With a cotton polyester blend that offers a natural finish, AMBY uses a textured slub yarn to create a tactile collection perfect for classic upholstery pieces.
- **Design:** AMBY exhibits a transitional mood with a stylised floral design that is the perfect match for the irregular stripe of IVETTE. Featuring traditional Ogee characteristics, OLIVIA creates a classic look with style and grace.
- **Colourways:** Sage and Denim are heritage colours with an earthy feel that will complement wooden accents and natural tones, while Musk offers a contemporary spin on a tradition hue. Stone and Ivory are soft shades with a neutral style that is refined yet relaxed. Ideal for modern environments and urban interiors, Ebony is a statement colour that will add drama and character to a room.
- **Rating:** A dual-purpose collection with a beautifully textured finish, AMBY is ideal for residential interiors and domestic settings where a traditional feel and natural aesthetic is desired. With the added benefit of Oeko-Tex certification and washability, AMBY combines colour and design with ease.
