

WARWICK

NATURAL COMFORT – Warwick's Wool Library

Overview: Warwick's new Wool Library invites you to cosy up to natural fibres, gentle against the skin and luxurious to look at. Smart and tailored or gentle and relaxed, classic British and Scottish inspired patterns are timeless and invitingly familiar across soft and warming, wool blend textures. This exclusive, internationally sourced fabric collection is available by pre-order only through our showrooms.

- **Application:** Distinguished and versatile, the wool library offers an extensive range of upholstery options and select drapery products.
- **Design:** Classic designs are simplified and given modern relevance. A picnic check comes in contemporary colours, while a varied stripe has timeless appeal. Tartan, houndstooth and herringbone patterns add to the collections charm and present in a range of both traditional and contemporary colourways.
- **Colourways:** An expansive selection of neutrals can be seamlessly integrated within diverse design schemes while, traditional patterns are updated with brighter colours for modern interiors.
- **Rating:** Wool's inherent fire retardant capabilities add to the collections appeal while ALDERNEY, BAINBRIDGE, JASPER, HARRIS, ISLAY, KILLEAN, SKYE and SAVILE are all FR tested. The range incorporates dual purpose high performance domestic and heavy commercial grade fabrics.
