## Baxter

Beautiful and Brash in one word

Baxter Plain Hanger with texture close up

Woven on sophisticated looms combining yarn dyed\* soft touch Chenille\* yarns, 'Baxter' evokes a tough earthy exterior, yet interprets beautifully on the most sophisticated furniture pieces. It combines a striking three dimensional appeal with practical all round easy care characteristics.

Rapidly becoming one of our best selling 'value for money' upholstery plains, 'Baxter' is now available in an impressive range of 30 multi purpose colours from popular neutral tones to funky brights.

'Baxter' is tested to Heavy Commercial performance ratings and is part of our 'Halo' fabric range. As such it is woven to precise specifications and tested to exacting standards for colourfastness, abrasion and inherent stain resistance and safety\*. Halo fabrics are also resistant to pilling, mould and mildew and impervious to attack by moths, silverfish and insect pests. 'Halo' is the Warwick hallmark for high performance easy clean fabrics.

\* Yarn Dyed – Yarn colours are individually dyed prior to weaving. This is generally understood to provide greater colour consistency between production batches.

\* 'Chenille' – Describes a particular characteristic soft touch yarn construction.

\*Tested for absence of Free Formaldehyde [ISO14184-1:1998]
