STYLE MODERNE - AN ICONIC SELECTION - LEMPIKA by Warwick

Overview: LEMPIKA pays homage to 1920s Art Deco - sleek, stylized geometrics and florals combine in this opulent upholstery collection. Recreating this iconic period has never been easier with this coordinating selection of designs. Mix, match and redefine this style in your own way with colourways that combine, contrast and compliment.

- Design: This 1920s inspired collection comes to life with large-scale, graphic florals to bold, mid & small-scale geometrics. These eight patterns and plains compliment, coordinate and support one another. Offering fearless statements in a mix of dual purpose fabrics - perfect for small or large-scale upholstery applications. With commercial ratings across the range, these Oeko-Tex certified fabrics create a myriad of moods and styles in three alternating colourways.
- Colour: LEMPIKA's fusion of prints and plains create the perfect eclectic canvas to evoke the feelings you desire. Watermelon offers a playful, multi-coloured range with vibrancy and contrast. Manuka brings a rich, warming feel to a space with a refined, gentle statement. Plum delivers a deep, deluxe theme finished with rich purples and sumptuous teals.
