

WARWICK

MODERN FUNCTION WITH AN ORGANIC TOUCH - CRETE by Warwick

Overview: Introducing a semi-sheer with a beautifully natural look, CRETE is the perfect fabric for effortless draping in both contemporary and traditional homes.

With an organic feel that is earthy yet subtle, CRETE is a sophisticated sheer that allows light to filter gently across the room yet still maintains a sense of privacy. Boasting a dry textured finish and delightfully soft handle, this relaxed plain offers an expansive wide width of 300cm in an overall aesthetic that is casual yet inherently refined.

- **Application:** Fire rated with the added benefit of Oeko-Tex certification, CRETE is a self weighted sheer with a continuous 300cm wide width. Simply perfect for drapery across large windows this soft sheer will fall effortlessly from ceiling to floor, ideal for unstructured roman blinds or to enhance a mood with luxurious lampshades.
- **Colourways:** Seven key neutrals deliver a refined pallet of perfectly considered hues, offering sophisticated options for today's interiors. Ivory, Sand, Storm and Cloud offer a fresh aesthetic that is perfect for contemporary spaces seeking a gentle organic feel, while Flint and Ash exhibit mid tones that will add warmth to any room. Charcoal completes the colour palette with a dark moody tone that will bring a dramatic edge to existing design schemes.
- **Rating:** A harmonious balance between neutrals and texture, CRETE offers a semi-sheer drapery for both residential and commercial environments. With Oeko-Tex certification and fire rating, this continuous wide width sheer (300cm) offers soft draping characteristics for a casual look and refined sense of style.
