## TRADITIONAL TRAILS WITH DIMENSION AND ELEGANCE - FLEETWOOD by Warwick

Overview: FLEETWOOD is a captivating, classic trail pattern featuring flowering cherry blossoms. The two-tone embroidery brings the blossoms to life on their matte, naturally textured base.

- Inspiration: The 'Sakura Season' inspires FLEETWOOD and the iconic cherry blossoms silhouettes associated with this enchanting season. This timeless design has a serene and sophisticated feel, hinting at the fleeting life of the woodlands.
- Design: FLEETWOOD is a piece dyed, plain weave with a dual colour embroidered botanical design. The matte base compliments the pearly sheen from the embroidery giving FLEETWOOD textural dimension and an organic elegance.
- Application: With its classic trail pattern and mixed fibres, FLEETWOOD's adaptable palette make it a beautiful choice for traditional drapery, lampshades and cushions. The dual coloured embroidery adds rich romance and with five classic colours, FLEETWOOD has a colourway for most interior schemes.
- Colourways: Classic neutrals of Pearl and Pewter are ideal for blending into existing schemes with ease. Opal offers timeless, traditional duck egg blue. While Daffodil and Blossom incorporate warm pastel tones creating a rich and homely feel.
- Rating: FLEETWOOD is Oeko-Tex certified, and with its enduring trail pattern and embroidered finish, this drape is elegant and understated, complementing most traditional interior schemes with its classic, adaptable colourways.
