

WARWICK

Gili

The task master

Plain Hanger with texture close up

Introducing our newest plain, Gili. Developed specifically with the contract market in mind, this durable plain is also perfect for the home.

Woven with three yarn colours, Gili achieves a unique dimensional and contrasting look, translating brilliantly in colours ranging from bright statements such as purple and orange, as well as soft liveable neutral greys and taupes.

Gili performs to Heavy Commercial upholstery ratings and is part of our 'Halo' fabric range. As such it is woven to precise specifications and tested to exacting standards for colourfastness, abrasion, inherent stain resistance and safety*. Halo fabrics are also resistant to pilling, mould and mildew and impervious to attack by moths, silverfish and insect pests.

Halo' is the Warwick hallmark for high performance easy clean fabrics. They are also compatible with independent retail fabric protection and guarantee programs. These programs enhance the fabric's ability to resist liquid staining by providing a spill repellent surface and/or warranties to cover accidental damage.

*Tested for absence of Free Formaldehyde (ISO14184-1:1998)
