

WARWICK

A REVOLUTION OF BOLD STRIPE AND UNTAMED FLORALS – TWIGGY by Warwick

TWIGGY is a nostalgic collection inspired by the soul of the 60’s and 70’s where colour and playful design characterized a celebration of individuality.

- DESIGN:** Taking the emblematic stripe of the 60’s, HENDRIX and ZEPPELIN are a transformative play on this geometric style with HENDRIX, a large-scale dual toned stripe and ZEPPELIN a multi-coloured bar stripe. TWIGGY is their floral counterpart and is a patterned burst of fun that pays homage to its design era while modernising spontaneity with a hand painted sophistication, all are produced on a micro-plush composition that feels velvety soft for use in residential and commercial spaces.
- APPLICATION:** Influenced by a design movement that celebrates experimentation, the TWIGGY collection has been curated to mix-and-match stripes and floral where the boldness of each pattern is complimentary, or can be used independently to create a vibrant and unique interior statement. Suitable for residential and commercial applications, TWIGGY has a style that can flex between an eclectic home interior and a contemporary store fit-out.
- COLOURWAYS:** There is an understated brilliance to TWIGGY where retro inspired hues of warm orange, olive green and mauve have been purposefully paired back while retaining strong pigmentation. Highlights of coral, citrus, aqua and mint add subtle vibrancy with each palette underpinned by calming, earthier tones of clay and steel blue.
- RATING:** Heavy Commercial with Oeko-Tex certification and Halo easy-clean characteristics.
- CURATE:** A partnership with pattern where artists, styles and techniques can be explored using technology to inject printed designs that deliver on performance and personality.
