WORLDLY, ECLECTIC AND DIVERSE - KOPPAL by Warwick

OVERVIEW: KOPPAL is a timeless collection that celebrates different aesthetics and textiles from cultures around the world. KOPPAL's array of designs and two elegant colourways make it easy to mix and match creating a simple, yet sophisticated look that can be used for residential and commercial purposes.

- DESIGN: In 12 designs and two colourways, Indigo - hues of blue add sophistication and elegance to a room; Mineral - neutrals and charcoals gives a more diverse option. KOPPAL is an all-in-one collection that features iconic motifs and an array of transitional designs. In three categories, KOPPAL offers a matte, soft touch plain weave; six screen printed skus that include multi-coloured small and large scale florals and ogees; and lastly, five yarn dyed jacquard weaves that features a small-scale geometric, lineal pattern, demask, a textured trellis design and a distressed regent stripe.
