

WARWICK

TEXTURE SETS THE TONE with Mason by Warwick

Overview: Luxurious style and premium performance come together with MASON, a refined, soft handle and sophisticated, dual tone design. From formal elegance to modern minimalism, MASON is the master of transformation, introducing stylish comfort with a rich touch to any space. Subtle textures and tonal weaves add layers and depth to a fabric that holds high appeal.

- Composition: 100% Polyester
- Inspiration: Craftsmanship and artisan design enhance a durable and resilient fabric that pre-empts the return of the vintage trend.
- Application: Strong and hardwearing yet soft to the touch, MASON's heavy commercial grading and harmonious colour range allows it to compliment and enhance room designs while bringing a sense of softness to upholstery furnishings.
- Design: A textured yarn dyed quality with a soft chenille touch that uses tonal fibres to create an alluring appearance.
- Colourways: The palette ranges from traditional to modern, encompassing 16 colourways including neutral tones, traditional colours and on-trend blues like Midnight, Denim, Peacock and Powder.
- Rating: A high performance, commercial grade, Halo easy-clean, FR Tested fabric with OEKO-TEX certification.
