TAILORED, CLASSIC SOPHISTICATION WITH BLOCK-OUT AND ENRIVONMENTAL IMPACT – BULLA by Warwick

A sophisticated classic, BULLA is a plain, woven block-out drapery collection that is soft in touch and offers both practical and environmental benefits. With a continuous 300cm wide width, BULLA's simplistic nature and stylish, subtle texture makes this range effortless to feature in an array of modern residential and commercial spaces alike.

- **DESIGN:** Similar to a triple weave, BULLA is a plain, piece dyed drapery collection that features a recycled, innovative TPU (Thermo Plastic Polyurethane) film in between its two woven fabrics, making this 100% block-out and ideal for optimum privacy, while still providing exceptional draping quality. Bringing four designs, BULLA is a soft, chenille with subtle texture variation for an organic appeal; MATLOCK, a short pile, soft touch velvet; BRUNY, a woven plain with a slight herringbone pattern; and KINSELY, a refined, subtle cross hatch texture with a dry finish.
- **APPLICATION:** From casual and simplistic modern interiors, to refined and sophisticated settings, BULLA is versatile in design and is bound to add surface interest with its subtle texture in both residential and commercial interiors. BULLA offers a generous 300cm wide width, making this collection ideal for large-scale windows, as well as creating practical and timeless drapery, Roman blinds and lampshades with exceptional quality.
- **COLOURWAYS:** Offering four classic colourways, BULLA's neutral palette is designed to suit any interior and scheme — whether it's traditional, modern or urban. Making this a go-to staple of classic colour options, on the lighter side of the spectrum, White and Linen bring a warmer, inviting options, while Taupe and Grey offer cooler, deeper hues for complexity and depth in modern spaces.
- **RATING:** FR tested to 1530.3 standards, this 300cm wide width collection will create simple, yet sophisticated drapery in any interior. BULLA is perfect for those seeking block-out drapery that is recycled, making it environmentally-friendly.
