

WARWICK

WEAVE A NEW STORY with Matrix by Warwick

Overview: A beautifully composed, new release fabric, on point to deliver hardwearing, commercial qualities yet with the tactile and aesthetic features of natural linen. A dual tone weave with a subtle slub increases texture and gives the fabric an added dimension, increasing its depth and adaptability to a myriad of design schemes.

- Composition: 100% Polyester
- Inspiration: Bringing the raw and elementary appeal of our natural environment indoors, MATRIX refreshes interiors with a calm, timeless colour palette and soothing organic textures.
- Application: Casual or elegant, MATRIX is a plain with personality. With broad market appeal, a range of nature inspired colours can be styled in single block applications for large sofas and bench seating, used as cushion accents or introduced to refresh statement pieces.
- Design: Natural look with a soft handle, MATRIX's cross hatch construction is enhanced by a two-tone weave that gives the material a washed, natural patina.
- Colourways: NEUTRALS; Bone, Marble, Sandstone, Mink, Brindle, Charcoal, Pewter and Frost. CONTEMPORARY; Terracotta, Buttercup, Opal, Denim and Steel.
- Rating: A heavy commercial grade performer that is FR tested with Halo easy-clean properties and OEKO-TEX certification.
