

WARWICK

MODERN TRIBAL – TAVI by Warwick

Overview: Distinctive ethnic designs are fused with an organic colour palette in TAVI, a stunning collection that presents a sophisticated and worldly mood. Offering a modern take on traditional tribal design, TAVI featuring NAZIM creates an urban style statement that will add depth and charm to a multitude of interiors.

- Inspiration: Inspired by the ethnic design characteristics of traditional tribal prints, TAVI introduces a modern twist fusing natural earthy tones with geometric shapes, this collection is ideal for relaxed contemporary spaces or traditional interiors seeking a worldly air.
- Application: Featuring Halo easy clean characteristics, TAVI can be used for general domestic upholstery applications; perfect for statement sofas and accent furniture.
- Design: TAVI'S abstract diamond geometric design is perfectly balanced by its urban coordinate NAZIM, which features ethnic herringbone details on a slightly smaller scale. TAVI uses a yarn dyed jacquard weave to create dry and natural textures, while a two tone yarn offers striking visual texture.
- Colourways: Neutral colours are the basis of this collection, with a selection of organic tones that can be mixed and matched across timeless design schemes. Latte, Walnut and Pebble are classic shades that offer a balanced aesthetic, while Marble and Coal exhibit a modern mood perfect for sophisticated interiors.
- Rating: With Halo properties of high performance and easy cleanability, TAVI is a versatile collection that is ideal for decorative and upholstery purposes in domestic environments.
