PINTO

QUILTED TO SOPHISTICATION – PINTO by Warwick

Overview: Effortlessly sophisticated with a luxurious high-end feel, PINTO is a polished range that offers a plush quilted look.

Boasting soft textures and a diverse colour palette of classic shades, this elegant fabric is perfect for both traditional and contemporary interiors. With a small-scale diamond pattern and delicate pin dot design, PINTO creates a style statement that is smooth, stylish and refined.

- **Application:** The perfect balance of texture and colour, PINTO draws upon traditional influences with a classic quilted look that is designed to blend seamlessly into existing interiors. PINTO radiates a subtle lustre that is perfect for beautiful bedheads, luxurious drapes and bedspreads, and elegant armchairs and lampshades.
- **Design:** A timeless range with distinctive tactile qualities and luxurious satin finish, PINTO features a jacquard weave construction and silky three-dimensional dot design that adds character and depth.
- **Colourways:** Key neutrals such as Vanilla and Cinder are contrasted by moody blues like Midnight and Navy, while Seafoam and Lagoon offer a calm and tranquil feel. Olive and Cumin are rich tones with a slightly regal aesthetic while Rust and Shiraz exhibit a warm and inviting mood.
- **Rating:** A multi-purpose washable range ideal for both drapery and upholstery, PINTO offers classic colours, sophisticated style and unique sculptural texture.
