

WARWICK

PIPER

A SOPHISTICATED TRIPLE WEAVE WITH A HINT OF COLOUR - PIPER by Warwick

Overview: Refined and sophisticated. PIPER features a textured triple weave with a soft toned colour palette, suitable for commercial and residential drapery uses.

- Inspiration: PIPER brings an organic and natural feel to a triple weave quality, appealing to both residential and commercial drapery markets. With its soft and refined colour palette, it is a perfect drapery option with all the benefits of a polyester.
- Design: Piece dyed with cationic polyester yarn, PIPER has a soft linear texture and sheen. Its triple weave structure gives it a dense and substantial appearance with dim out properties.
- Application: PIPER is perfect for all triple weave drapery, lighting and roman blind applications, in both commercial and residential settings.
- Colour: With 17 colourways, this range has been carefully curated to offer refined and sophisticated, neutral tones. PIPER is also an ideal way to bring subtle, soft colour to your drapery in any situation.
- Rating: PIPER is FR rated and Oeko-Tex certified. 100% Polyester with triple weave properties makes it an ideal solution for residential and commercial drapery applications, seeking dim out characteristics.
