TURNING TEXTURE INTO A STATEMENT - RONAN by Warwick

- **DESIGN:** RONAN is distinctly dimensional with a pebbly textured yarn design that offers practical style and unconditional comfort. Constructed with an undulating chenille slub, its texture is remarkably soft as it bubbles its way along the warp.
- **APPLICATION:** Perfect for both residential and commercial use, RONAN is a durable, value-driven solution designed to meet the demand and comfort requirements of busy households, corporate environments, and educational spaces. Its versatility makes it ideal for furniture and statement soft furnishings, where it will blend into a variety of settings with style and practicality.
- **COLOURWAYS:** Available in a full spectrum of colours, RONAN draws on familiar foundation tones and reimagines them through a refined, muted lens. The palette balances warmth and depth with modern restraint, featuring trend-forward shades like earthy terracotta, olive green, and deep ocean blue. Complemented by a considered range of neutrals, RONAN offers a timeless and relaxed aesthetic that feels both grounded and elevated.
- **RATING:** Heavy Commercial rated with Halo easy-clean properties, Oeko-Tex certification and an AS1530.3 fire rating.
