

WARWICK

THE ESSENCE OF LIVING – HARMONY by Warwick

Overview: The genuine epitome of strength and durability without compromising on style and comfort, HARMONY joins our range of Tritan fabrics as a transitional collection that presents a fusion of traditional and contemporary designs.

An Australian made range that offers mix and match characteristics for a truly unique and timeless aesthetic, HARMONY features organic patterns and subtle geometrics that coordinate easily across a sophisticated colour palette of urban hues in varying textures.

- **Strength and Durability:** Tested for heavy commercial upholstery applications.
- **Tritan Treatment:** Is odour free, bio-degradable, non-carcinogenic and contains no heavy metals. It is classed as a nondangerous chemical.
- **Moisture Barrier:** Protects interior upholstery constructions by eliminating problems caused by liquid penetration and incontinence.
- **Halo Easy Clean:** High-performance, easy clean fabrics that pass the toughest testing. All Warwick Halo fabrics are woven to precise specifications and tested to exacting standards for colourfastness, abrasion, inherent stain resistance and safety.
- **HealthGuard Antibacterial, Antimicrobial:** Its efficacy is shown to inhibit a wide range of micro-organisms including bacteria, moulds, yeasts and algae. Most significant of which is its effectiveness against *Staphylococcus aureus* A129.
- **Anti-dust mite:** Prevents the infestation of dust mites in new fabrics as well as stopping microbial growth.
- **Bleach Cleanable:** See care label for full instructions.
- **FR Rated:** Tested to comply with AS1530.3.
- **Australian Made:** Proudly Australian Made and registered by the Australian Made Campaign.
