## TACTILE TEXTURES & EARTHY TONES - TUDOR by Warwick

Overview: A refined collection of textured plains that offer subtle design and a wonderfully organic feel, TUDOR incites a feeling of nature with an earthy colour palette and tactile handle.

Featuring textured weaves that are reminiscent of handwoven wicker baskets, TUDOR's rustic aesthetic will create an inviting space that is effortlessly relaxed. With a harmonious balance of finishes, this unique collection has a warm ambience that will feel at home in any space.

- **Application:** TUDOR offers an organic aesthetic and tactile finish, perfect for tailored upholstery and rustic scatter cushions. Fire rated and protected by the HALO properties of high performance and easy cleanability, TUDOR is ideal for both residential and commercial spaces.
- **Design:** Presenting a trio of transitional plains, TUDOR's subtle design characteristics will enhance the mood of any room and complement existing interiors with ease. With chunky textures and multi tonal yarns, TUDOR is the ideal match for the tactile basket weave and twisted multi coloured yarns of TURNER, while TUCKER completes the look with a refined texture and charming multi tonal qualities.
- **Colourways:** Birch and Sand are light neutrals with a natural feel that is soft and calming, while modern hues such as Charcoal and Ash offer a contemporary aesthetic that is sleek, refined and on-trend. Java and Jaguar complete the colour palette with moody tones that are bold, edgy and perfect for statement pieces.
- **Rating:** Fire rated and protected by the HALO characteristics, TUDOR offers transitional style with a rustic look that is natural, simple and casually sophisticated. Perfect for the relaxed lifestyle of a modern space, TUDOR is ideal for upholstery in both residential and heavy commercial environments.
