

WARWICK

SOFT, SILKY & SOPHISTICATED – TYPHOON by Warwick

Overview: Presenting a sophisticated sheer with a soft lightweight finish and unique geometric design, TYPHOON is a transitional fabric that is both delicate and refined. Offering a stylish colour palette of modern shades, this soft translucent quality can be incorporated into existing interiors with ease, creating a distinct style statement for any environment.

- **Design:** This sophisticated sheer features subtle geometric design, creating a unique pattern that is mesmerising. Boasting soft textures and a light, silky finish, TYPHOON is designed to blend seamlessly into any space.
- **Application:** TYPHOON is a delightfully airy sheer that allows for a harmonious balance between light and dark whilst always maintaining a sense of privacy. Featuring a yarn-dyed jacquard weave, this lustrous sheer offers continuous self-weighting in an expansive 290cm wide-width that will drape perfectly across wider format architectural windows.
- **Colourways:** Charcoal's dark tones offer a dramatic aesthetic perfect for urban interiors, while Whisper and Fog are soft and sophisticated. Armour and Flint are natural tones with an earthy air.
- **Rating:** FR rated with continuous self-weighting characteristics; TYPHOON is a refined sheer that runs 290cm wide, making it ideal for drapery purposes in both residential and commercial settings.
