

WARWICK

ELEGANT EMBROIDERY with WINFIELD by Warwick

Overview: Romance is in full bloom with soft florals and elegant hues in Warwick's latest drapery range. Inspired by traditional British characteristics, WINFIELD introduces sophisticated country style with dreamy florals and a coordinating trailing ogee, WAKEFIELD. Featuring viscose embroidery on cotton cloth, WINFIELD creates a luxurious style statement with a beautifully soft yet tactile handle, bringing romantic refinery to any interior.

- Inspiration: WINFIELD draws inspiration from the classic designs of historic England. The lush florals and muted hues of this range reflect the refined yet stylish lifestyle of this period.
- Application: With a tactile and wistful feel, WINFIELD can be used as drapes to brighten existing interiors or add beautiful accents to cushions and lampshades.
- Design: WINFIELD blooms in a range of romantic colours creating a feel that is tasteful, soft and luxurious. WAKEFIELD adds another layer with simplified, ogee inspired curves, weaving to form a trellis-like design. With viscose embroidery that adds an element of sheen and texture to plain GAYA, this range is eye catching yet refined, achieving a look that is utterly sophisticated.
- Colourways: Organic and natural colours balance hints of rich, regal hues in this collection. A light neutral beige in Natural complements colours of Garnet, Sky and Charcoal, adding a sense of style to the neutral base cloth GAYA. Such a versatile and classic colour palette can be easily coordinated into existing interiors, or used to enhance any space.
- Rating: WINFIELD is a decorative residential collection, with a weight and texture perfect for drapery, cushions and lampshades.
